## OBJECTIVE

Experienced researcher, certified professional trainer, certified career services provider, and public relations specialist with a strong political science background. Skilled in coordinating, working with diverse stakeholders, and building skills for others. I have worked on large development projects, like the USAID-funded UCCD initiative, to support youth empowerment in Egypt. I want to use my skills to contribute to development cooperation efforts and help communities grow.

## EXPERIENCE

Employer Relations and Recruitment Officer, **University Center for Career Development (UCCD), Alamein International University (AIU)**

Sept. 2023- Present

- Network with 100+ companies to decrease the gap between academia and the labor market.
- Organized 10+ recruitment sessions, 2 field visits, and 1 roundtable with different industries.
- Arrange 50+ online/offline meetings with the private sector.
- Plan and manage annual employment fairs, including the upcoming May 2025 fair.
- Trained 400+ students on career-related skills, soft skills, and entrepreneurship.
- Develop and update 6+ training materials.
- Facilitate 50+ one-to-one career sessions to assist students with their career choices.
- Document training rounds, workshops, one-to-one sessions, etc.
- Contribute to the project's goal of supporting over one million students, including those with disabilities.

Lecturer, **Pharos University in Alexandria (PUA)**

Aug. 2020 – Aug. 2023

- Taught 2000+ hrs. of the market needed skills for 10 different specialties to over 3000 students.
- Created online and blended learning programs during COVID-19.
- Adapted teaching materials for virtual platforms, creating interactive lessons and activities to engage students in an online and offline environment.
- Monitored tasks by reviewing colleagues' work, including exams, corrections, grading, and final results, to ensure accuracy and consistency.
- Prepared 30+ reports on colleagues' work, such as exam grading and evaluation, to identify areas for improvement and suggest solutions.
